**THIS IS A CHESTBAND DESIGN**

You know you're a woman  
engineer when...

- ⓐ you wear something other than jeans and a t-shirt and people ask you why you're dressed up
- ⓐ the odds are good but the goods are odd
- ⓐ your TI-89 is in your purse instead of your make-up bag
- ⓐ your boyfriend gets jealous of your study partners
- ⓐ you wear greek letters and think variables instead of sororities
- ⓐ the only guys in your life are Zach Brown and Richard
- ⓐ you can get ready in the time it takes you to solve a single math problem
- ⓐ you think spring break is a metal fatigue failure
- ⓐ your calculator doesn't have an equals key
- ⓐ you've designed your perfect wedding in AutoCAD

“Science is not a boy’s game, it’s  
not a girl’s game. It’s everyone’s  
game. It’s about where we are  
and where we’re going.”
